

Dear 2007-08 "Coins for Kids" participants,

When I heard the total for the 2007-08 Coins for Kids project my first reaction was "WOW!" I was humbled and at the same time overtaken by God's provision and the fact that He chose to use children to bless the children of Romania.

This year's Coins for Kids project is proof to me of what girls can do for God when they are given a mission! I want to thank the staff at the national Girls Ministries office, all the Girls Ministries district leaders, and all the precious girls who took part in this year's project. You are my heroes!

It was a real honor for Touched Romania to be the Coins for Kids project this past year. What's exciting to me is that the project isn't over yet! No one really knows how God will continue to use it... from the seeds that were planted in young girls' hearts. My hope is that as they grow up and become young women, they themselves will be called to the mission field! (Preferably to Romania — *just kidding!* ☺).

Once again, thank you!

Sincerely,
